Dear EWFL club representative

We are required to provide a copy of our EWFL COVID-19 Risk Assessment. This is attached.

Please make sure that your players are aware of the requirements.

We would also like to remind players that they may only wear screw-in metal/nylon studs or moulded stud (FG or AG) boots or blades on the pitches (please see attached photo). Chelmsford City Council do not permit the wearing of trainers or astroturf (dimpled) boots. They are very rigorous in checking that these requirements are observed.

Regards

Peter Osborne
Secretary and COVID-19 Officer, EWFL
