

EWFL 50 Saturday sessions Communique no. 5

Hi all clubs

Thank you for your replies regarding options for 50 matches. We received 10 replies covering 12 teams with a unanimous vote to keep it as it is, option 1. We did not hear from 6 teams so must assume they are also happy staying as we are. Therefore we will be staying with 2 hourly sessions on a Saturday 12-2pm.

Just a few things to mention.

Please note that the showers and changing rooms MUST not be used otherwise the council will stop us using the facility. Please can all clubs pass this on to all your members along with the footwear requirements as we are still getting players turning up with Astro boots. I have attached the notice from the pitch which I would kindly ask you to send to all members.

We have the facility to store the black equipment bag in a lock up in the Chelmsford City grounds that holds the disks and ropes for marking out the pitches. Each host will be notified of the procedure and codes for unlocking. Please make sure you collect the correct bag as there is a very similar one marked CCWFC, ours is marked for EWFL. Please make sure that you securely return ALL the kit back in the bag and put back in the container when finished. Last week some disks were left on the pitch and were luckily picked up and passed to a referee who will be bringing them along this weekend. Leyton Orient will be hosting this coming weekend.

You must all help out setting up and clearing away and we suggest a get together of the principles of each team at 11:45 so as to plan. If you all work together you will have plenty of time.

We do still need hosts for the rest of the season, please see this list.

<http://essexwalkingfootballleague.org/2021/05/31/hosting-schedule-updated-as-it-happens/>
we have an urgent one of 31st July we must fill soon.

Any questions please ask.

Kind regards,

Terry Buck

EWFL Chairman
